

ESIC Dental College & Hospital, Kalaburagi
Report on “World Environment Day”
5th June 2024

On **5th June 2024**, ESIC Dental College & Hospital, Kalaburagi, celebrated **World Environment Day** with enthusiasm and a commitment to promoting environmental awareness. The event focused on inspiring students and staff to take active steps toward sustainability and environmental conservation.

The highlight of the celebration was a sapling plantation drive organized within the college premises. Faculty members and students actively participated in planting saplings, symbolizing a collective effort to contribute to a greener and healthier environment. Also, a reel competition was conducted for students, encouraging them to showcase their ideas and perspectives on environmental conservation through shorts, engaging videos. The competition received an overwhelming response, with students demonstrating their creativity and commitment to the theme. To honor their efforts, certificates of appreciation were awarded to the winners of the reels competition by **Dr. Prashant B Patil, Dean.**
