Director General's Message

I am delighted to present the latest edition of ESI Samachar, encapsulating monthly achievements and transformative initiatives undertaken by the Employees' State Insurance Corporation (ESIC). Our commitment to provide comprehensive social security benefits under the ESI Act remains steadfast, anchoring our mission to ensure better healthcare and social security through the ESI Scheme.

This month has witnessed the inauguration / launch of significant facilities that underscore our dedication to enhancing medical services. The ESIC Hospital in Bikaner, inaugurated by the Hon'ble Prime Minister on 08.07.2023, symbolizes our commitment to provide advanced medical facilities to over 31,000 insured persons and 1.2 lakh beneficiaries in Bikaner and its surrounding areas. The hospital offers a range of facilities from OPD and emergency to specialized medical units.

Shri Bhupender Yadav, Union Minister for Labour & Employment, inaugurated essential services such as Anti Retro-Viral Therapy, Integrated Counselling and Training and a Tele-Medicine Center at ESIC Medical College & Hospital, K.K. Nagar, Chennai. Notably, he initiated key programs including 'ESIC Swasthya Mitra', 'Family Adoption Program', and 'Voluntary Body Donation Program' there.

The 3rd Graduation Day / Convocation Ceremony of ESIC Medical College & Hospital, K. K. Nagar, Chennai, marked the achievements of the 2017 MBBS batch, showcasing the impact of ESIC's efforts in medical education field.

ESIC observed Special Fortnight on millets, aligned with the International Year of Millets-2023. This initiative, spanning from 01.07.2023 - 14.07.2023 was aimed to raise awareness about the nutritional benefits of millets across all our hospitals.

New registrations under ESI Scheme surged with 20.23 lakh new workers in approximately 24,886 new establishments, providing an indispensable safety net for employees across age groups, including 71 transgender individuals. The impact of our efforts is visible in the ever-growing number of workers joining the ESI Scheme.

We hold immense pride in ESIC dedication and capabilities in delivering social protection benefits to our stakeholders. Moving forward, innovation, excellence and inclusivity will remain our guiding principles as we contribute to building a more resilient and prosperous India for all.

G20 LABOUR & EMPLOYMENT MINISTERS MEETING 2023 CONCLUDED IN INDIA

The two day G20 Labour and Employment Ministers Meeting 2023 concluded in Indore successfully with unanimous adoption of three G20 Outcome Documents which are G20 Policy Priorities on Strategies to Address Skill Gaps Globally, G20 Policy Priorities on Adequate and Sustainable Social Protection and Decent Work for Gig and Platform Workers and G20 Policy Options for Sustainable Financing of Social Protection. These documents will be submitted to the Leaders for their consideration to be annexed to the G20 New Delhi Leader's Declaration 2023. The Ministers also adopted the Outcome Document and the Chair's Summary.

Addressing a Press Conference Union Minister for Labour and Employment and Environment, Forest and Climate Change Shri Bhupender Yadav said the Labour & Employment Ministers' meeting took a historical step closer to strengthen global amity. He said under India's Presidency, the G20 nations have agreed to include the reference to 'respect for multilateralism', 'respect for

purposes and principles of the UN Charter', as well as the phrase by our Prime Minister Shri Narendra Modi 'Today's era must not be of war'. He added this is a testament to the commitment of all G20 countries to come together for ensuring decent work and labour welfare for all workers.

There was participation from 176 plus Delegates, including 26 Ministers from G20 Member and Guest countries. There was participation from 15 Heads and Representatives of International Organizations, namely OECD, ISSA, ILO, and World Bank.

Four Employment Working Group (EWG) meetings, chaired by Ms. Arti Ahuja, Secretary, MoL&E, were held successfully in Jodhpur, Guwahati, Geneva and Indore. The Indore meeting held on 19.07.2023 & 20.07.2023 was the fourth and final EWG meeting. Apart from that, numerous bilateral meetings were also held between India and other G20 countries. The EWG deliberated and negotiated on three priority areas selected by the

Indian Presidency, namely: Addressing global skill gaps; Gig and platform economy and social protection; and Sustainable financing of social protection.

The State Government organized a delightful cultural evening showcasing Madhya Pradesh's rich traditional performing

arts for the Ministers and delegates, at the Welcome Dinner at the Sheraton Grand Palace, Indore on 20th July, 2023. The L20 and B20 submitted a joint statement on their work and ideas to advance labour welfare, while the IOE addressed the august assembly.

The G20 took note of the overwhelming success story of India in accelerating the transition from informality to formality and enhancing social protection as India's recent key initiatives in

legal reforms, systemic transformation, Micro, Small and Medium Enterprises, and social protection were highlighted.

Social partners represented by G20 engagement groups, namely Business 20, Labour 20, Startup 20 and Think 20 called for greater coordination and synergies between all stakeholders to address global labour challenges.

The LEM meeting and EWG's journey under India's Presidency concluded with the adoption of the Chair's Summary and Outcome Documents. Adoption and implementation of these outcomes will enable people, especially India's youth to avail gainful employment across the world leading to sustainable, resilient and inclusive global economic development. These outcomes reflect and have the potential to fulfill the aspirations of millions in the G20 countries and beyond.

The EWG adopted 'G20 Policy Priorities on Adequate and Sustainable Social Protection and Decent Work for Gig and Platform Workers'. In a significant breakthrough for the gig and

platform economy, the Indian Presidency forged consensus in the G20 for providing social protection to the gig and platform workers on priority, irrespective of their classification.

India championed the cause of these workers by bringing the G20 together to agree to work towards sharing of responsibility among

governments, employers and workers for providing adequate and sustainable social protection for these workers.

3RD GRADUATION DAY/ CONVOCATION CEREMONY OF ESIC MEDICAL COLLEGE AND HOSPITAL, K. K. NAGAR, CHENNAI, TAMIL NADU HELD ON 14.07.2023

The 3rd Graduation Day / Convocation Ceremony for the 2017 batch of ESIC Medical College & Hospital, K. K. Nagar, Chennai was held on 14.07.2023. Shri Bhupender Yadav, Union Minister

for Labour & Employment and Environment, Forest & Climate Change, Govt. of India was the Chief Guest.

The occasion also witnessed the esteemed presence of Shri Rameswar Teli, Minister of State for Labour & Employment

and Petroleum & Natural Gas, Govt. of India.

Dr. Rajendra Kumar, Director General, ESIC and Shri Alok Chandra, SLEA, Ministry of Labour & Employment also graced the ceremony as Guests of Honour.

The Union Minister encouraged the graduating students to provide medical services to the underprivileged sections of society. He emphasized the importance of ESIC in providing social security to the workforce. He also highlighted that with the implementation of the Social Security Code, the responsibility of ESIC is set to increase significantly.

Shri Rameswar Teli, Minister of State for Labour & Employment and Petroleum & Natural Gas, Govt. of India, in his address emphasized that ESIC is committed to deliver top-quality medical care and comprehensive social security to the workforce.

The MoS also urged the doctors to treat patients not only with the knowledge that they possess but also with empathy.

AADHAAR SEEDING DRIVE

ESIC launches an Aadhaar Seeding Drive which allows insured individuals to link their Aadhaar Number with ESIC for easy identity verification and other benefits.

The demographic details will be captured for the new Employee/ Pensioner through the e-KYC process of UIDAI and for the existing ESIC Employee & ESIC Pensioner; the demographic details will be validated through the e-KYC process. The Aadhaar/ VID number will be authenticated through OTP/ Biometric authentication (using Fingerprint or Iris).

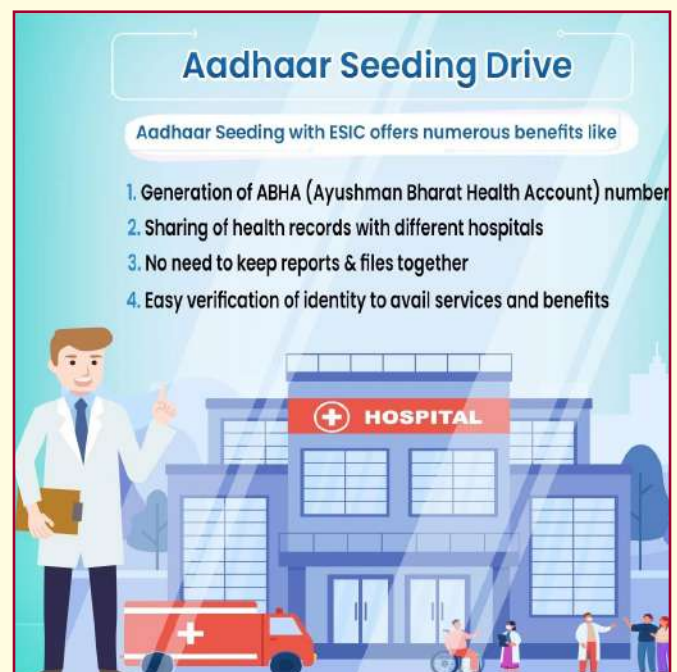

The purpose of seeding the Aadhaar/ VID and display the Aadhaar Status in ESIC Panchdeep Application & the benefits of implementation of Aadhaar using e-KYC and Aadhaar/ VID authentication through OTP/ Biometric are mentioned as below-

- To prevent fraudulent activities in financial transactions.
- To merge the contribution of a duplicate Insured person.
- To perform the De-duplication process and prevent the duplicate IP number generation.
- To perform the e-KYC; post e-KYC system will have the UIDAI verified demographic details of the beneficiaries.
- To authenticate the beneficiaries at the time of service delivery.

Online seeding is available at <http://esic.gov.in>, and employers can also seed their employees' Aadhaar with ESIC. 32 Hospitals across the nation are offering Aadhaar Seeding Kiosks.
